The deposition of Thomas N. Graham & others taken
in this cause Feb. 13th 1880 & succeeding days at the
time of taking an account and making a report
in this cause

The said Thos N. Graham being duly sworn
deposes and says I am a son of John
Graham dead, and am well acquainted with
the land owned by him at his death. He was the
owner of several pieces adjoining each other
lying on both sides of Powell's river about 1/2 miles
from Jonesville. In these several pieces there are
something over four hundred acres the exact
quantity I do not know. There is on the South
side of the river, and on the North side of Wallens
Ridge about 200 acres, and the residue of said
lands lie on the north of the river and on the
South side of the Chesnut ridge of these lands
there is perhaps about 200 acres cleared and suit
able for cultivation. Of this quantity about 140
acres lies South of the river and on the north of
Wallens ridge and about 60 acres North of the
river on the Chesnut ridge. These lands
I think are reasonably worth in rental value
Three hundred dollars per annum and
my mother the widow being entitled to dower

therein which has been assigned her, and
the estimate before made being upon the whole
the lands outside of the lower right, and I think
would bring two hundred dollars per year
And further this witness saith not.

The deposition of Samuel P. Graham taken in this cause on the 15th day of March 1880 in reference to a claim against the estate of John Graham dead in favor of William Myers of \$10.00 which has been allowed by H. J. Morgan as a charge against said estate.

The said S. P. Graham being duly sworn Says, I have no doubt my father John Graham got the money \$10.00 with which said Myers has charged his estate and in fact my father told me he had got it and he showed the same \$10.00 bill which he had received, but as I learned from ^{himself} these were the facts in relation thereto.

Said William Myers made a contract with said John Graham to get out a set of Stones to make a box over the grave of his deceased brother John J. Myers with suitable head & foot Stones, the head Stone to be engraved with a certain epitaph or inscription, and then the said Graham was to erect the box over said grave, but Myers was to haul the rock to the Grave and for this job of work Graham was to be paid the sum of \$30.00 and at the time of making the contract and before any work was done said Myers handed him ten dollars & this is said claim now brought against his estate. After this contract was made said Graham went ahead and got out all the necessary Slabs & head & foot Stones and

worked them into proper shape, And then brought to my house the head ~~foot~~ stones, and he procured one to saw them off and to do the necessary engraving on the head stone which I accordingly did, and these head & foot stones are now at my house ready to be erected.

After all the stones were ready to be erected my father informed William Myers as he often told that he was ready to finish the job. if he Myers would haul them to the grave but this he never did and the job has not been completed as yet. My father and I were at one time standing in the stone quarry when he pointed out the slabs for said John J. Myers grave which he had therefore gotten out pursuant to his contract.

Soon after this contract was made William Myers left this county and not long afterward left the state, and afterward my father as he often told me applied to the relatives of said John J. Myers to try to get them to do the hauling but this they would not do.

The work which my father did toward and gotten to do for him, toward the completion of his contract was worth at least \$25.00 which is \$15.00 more than he has received. And further this witness saith not.

vs.

Thomas N. Graham adm^r of J. B. Graham & Co. Defts.

In Chief

To the Hon. John A. Kelly Judge of the Circuit
Court of Lee County

By a decree entered in this cause on the 2nd
day of Dec^r 1879 I was directed to do certain things
mentioned in the said decree and to make
reports thereof to you, and having performed
those duties as best I could beg leave to submit
the following brief report in explanation thereof.

About the month of Dec^r 1878 John Graham
departed this life intestate, and on the 9th day
of January 1879 Thomas N. Graham was appo-
inted his adm^r who soon thereafter caused the
personal estate of his intestates to be appraised
and this appraisement is herewith filed marked
(A B) This paper is not yet signed, but by one
of the gentlemen who appraised the property, but
it is conceded to contain a correct list of the
property together with its estimated value.

About the 17th day of Jan^y 1879 said adm^r
sold the property on a credit of 12 months, and

made out and returned a Sale bill thereof which is herewith filed Marked (A6) The property thus sold amounted in the aggregate to \$438.29 according to my Computation thereof

The said Thomas N. Graham acknowledges that he is now and was at the time of John Graham's death owing the latter the sum of \$126.60 for money &c theretofore paid for him by his father to Mrs C. J. Dickinson and he also admits that he has collected from John C. Olinger \$57.33 the balance of a fee due the said John Graham in his lifetime and he also says that during his first years administration he collected the further sum of \$15.25 on a claim of some sort due John Graham, and these three items I have embodied in an inventory and herewith file the same Marked (A7)

Based on said Sale bill and said inventory I have stated the account of Thomas N. Graham admr. of John Graham dead and herewith file the same Marked (A8) This Statement of the account embraces one year only, from Jan. 1st 1879 to Jan. 17 1880 and at this last mentioned day there is or ought to have been in said

Admrs hands the sum of \$359.89 which will bear interest from said 17th day of January 1880 till paid, and thus I suppose may be regarded as an available fund to be applied to the payment of debts against said estate, or for distribution among those entitled thereto;

With a view to ascertain the annual value in rent of the real estate of John Graham decd. I took the disposition of said Thomas N. Graham and herewith file the same marked (A F)

From this disposition it appears that these lands outside the dower of the widow would yield about \$200.00 in rent annually

John Graham at his death it appears owned something over four hundred acres of land all which lay in one body, but made up of sundry pieces or parcels adjoining each other. about 200 acres thereof lying on the south side of Provels river & on the north side of Wallens Ridge, and the residue thereof lies north of said River, and on the south side of the Chesnut ridge, and this portion is rather thin and poor, while that south of the river is quite steep and rough, but is rich and productive

Dower has been assigned the widow, and the land partitioned among the heirs, each of whom are now using a separate share.

The notice by which I undertook to convene the creditors of said John Graham I now herewith file marked (A G) and my endorsement thereon shows where copies of said notice were posted, and beside this I sent word and wrote letters to persons whom I was informed held claims against the estate, and by these means called quite a number of his creditors before me either in person, by attorney, or through an agent. And of the claims thus produced I have prepared a Statement of such as I thought sufficiently proved, and herewith file the same marked (A H), These debts thus allowed calculated down to January the 17 1880 (the date to which the administration account was brought to) amounts principal interest and cost to \$666.80

This Statement shows the names of the several creditors, the date and amount of each claim from whence each bears interest, the amounts thereof, and whether evidenced by judgment Decree bond note account fee bill, or otherwise, and with

said statement are filed the several evidences of debt therein allowed marked as in the margin A, B, C, D, E, F, G, H, I, J.

The claim marked (A) is for the decree in favor of the plaintiff rendered in this cause at the last term, and when calculated to Jan 17-1880 amounts to \$76.00

The claim (B) is for a note or bond of John Graham to Hurst and Shelburne, and when calculate to Jan 17th 1880 amounts to \$77.00 and the claim (C) is for an order drawn by John Graham on said Hurst & Shelburne in favor of J. P. Cox for \$1.00 on which there is 9 cents interest to said date, these two claims amount to \$78.09 and with them is filed the affidavit of W. B. Hurst.

The claim marked (D) is a judgment of a justice of the peace against Thomas N. Graham the admr. and in favor of D. T. B. James and it is conceded to be for his D.^r bill against John Graham during his last illness, and amounts Jan 17-1880 to \$441.63

The claim marked (E) is likewise a judgment of a justice of the peace in favor of Hamblet Orr against said admr. and is for a debt owing by John Graham in his lifetime and calculated to Jan 17-1880 amounts to \$27.82

In the lifetime of One Cynthia Patish she filed her bill in the circuit Court of Lee County, claiming dam-

in certain lands bought by John Graham from her husband Jacob M. Pateck and a decree was rendered in that cause giving her \$9.50 damages in lieu of dower, and the costs of suit excepting an attorneys fee, and claim (F.) is for these damages and costs amounting to \$26.66 to Jan 17 1880 and which is now due Thos S. Ely as admr. of said Leguthin Pateck.

The claim marked (G.) is a note by John & Thos Graham Feb. 7 1855. to S. V. Fulkerson and calculates ^{amounts} to Jan 17 1880 to \$37.48 and the same is now due to said Fulkersons admr. who ever he may be.

The claim marked (H) is the balance of a note by John Graham to Ward & Gibbney, and the balance due thereon due to Jan 17 1880 amounts to \$87.60 & with said note may be seen the affidavit of Genl. A. L. Ordemore in relation thereto, and with the note to said Fulkerson may be seen said Ordemores affidavit.

The claim (I.) is the balance of a judgment of a Justice of the peace against John Graham in favor of H. Bayler & Bros and amounts to \$49.31 and with said judgment may be seen the affidavit of H. Bayler.

The claim (J) is a note by the admr. to Martin Shute for \$7.60 subject to a credit of \$1.00 and now due to Dr T B F. James and this note was given by the admr.

to said Sheets for an account due him for Smith work
from John Graham in his lifetime and this fact is
shown in an affidavit of said Adm^r attached to the
note in question

Several years ago One William J. Standifer sold
to One Joseph W. Davis a certain parcel of land for the
sum of \$1250.⁰⁰ a part of which was paid down by
said Davis perhaps as much as \$500.⁰⁰ and while
Davis was still owing Standifer for the same, said
Davis sold 50 acres of the land he had bought of Standifer
to John Graham for the sum of \$300.⁰⁰ and said
Standifer thereupon took Graham for said \$300.⁰⁰ and
gave Davis credit for that sum upon his purchase,
and Standifer agreed that when Graham paid
for the 50 acres he would make to him a title to the
same. This \$300.⁰⁰ was to be paid Standifer as follows
\$100.⁰⁰ down - \$100.⁰⁰ on the first day of April 1878
and the residue April 1st 1879.

Graham thereupon assigned to said Standifer a
note or judgment on or against J.P. & N.S. Cox toward
said first payment, and upon this claim, said
Standifer realised \$94.⁸⁰ leaving still due thereon
the sum of \$5.²⁰ with interest from Nov. 3rd 1877, and
this I have allowed as claim marked (K)

For the second and third payments notes were to have been executed by Graham to Standifer, but they were not so executed, but they were written for the purpose but for some reason were not signed and they are filed along with said Standifer's affidavit in relation to this matter. And although these were not executed yet Graham in his life paid Mr Standifer on the paper which if it had been executed would have become due April 1-1875 the sum of \$40.74, and some of the heirs since his death have paid the further sum of \$42.00 which is also credited thereon and as to the blank note for the last payment, nothing has been paid thereon. Mr Standifer says the heirs and adm^r all recognise and acknowledge these two blank notes as valid and binding obligations of if not themselves such, that they show the contract in its true light and are willing to abide by it as disclosed thereby, and this would seem to be so for they have paid \$42.00 thereon, and the adm^r by a writing at the foot of Mr Standifer's affidavit says that he discloses the trade in its true character and that he and the other heirs are not only willing that the estate be charged

with the balance on this contract, but that they intend to carry it out in good faith, and this being the state of the case, I have allowed said two blank notes as charges against said estate as claims marked L. & M.

The claim marked (N) is an account due S. B. Roofs from John Graham and was contracted for Oats and Molasses in the Spring and Summer of 1875, and the Oath of said Roofs in relation thereto may be seen at the foot of said account, and the admt. and Jas P. Graham admit that the account is just and hence I have allowed it.

The claim marked (O.) is an account due Wm. Myers and transferred by him to O. C. Bordin from John Graham and to the said account may be seen the aff. of said Myers and the justice before whom the same was made, certifies that the claim is correct, and the admt. seemed to think the claim just, I therefore allowed it.

The claim marked (P.) is a fee bill due Jas. H. Orr clerk for services rendered John Graham in his lifetime in a suit which he had against John C. Olinger in which Graham recovered a debt, and it is a part of this debt which the admt. has collected and which I have charged to him in his administration account, and I am

informed that there is still a balance due them, and if collected will constitute a further fund for administration.

The claim marked (Q) is a small note due myself as admr. of William Barnes from John Graham deed. This note was executed for some small article or articles bought at Barnes Sale in August 1863, and due 12 mos from date, and now amounts to \$9.74.

The claim marked (R) is a note of John Graham to W. N. G. Barron for \$19.57. Aug 30th 1872 at one day and it now amounts to \$28.20. and with it may be seen the affidavit of said Barron in relation thereto.

I have now reported on all the claims produced before me, and these outstanding debts as herein reported amount in the aggregate to \$666.80 as before stated, and there being in the hands of said admr. on the day to which these claims are calculated the sum of \$359.89 and when that sum shall be applied to said debts it will still leave \$306.91 to be raised by renting, or by a sale of a part of the land.

The fund in the admr's hand will pay 54 per cent on each of said claims.

The heirs inform me that it is their intention

to pay off and discharge these debts and if they
do so it will save the renting or a sale of land &
I would urge them so to do, and thereby save the
land or the use thereof to themselves

All which is respectfully Submitted.

Henry J. Morgan Bond.

Since writing and completing the foregoing accounts
and report. Mr J. W. Orr, the plaintiff produced an
additional note before me against John Graham and
L. D. Kinser for \$46.50 dated January 25 1878 and due
12 months after date. This note is due Mr Orr as
admt. of A. B. McElroy, and said Kinser is only the
surety of Graham and Mr Orr forgot to produce
it at the time making the foregoing report. I have
allowed the same as a charge and marked it
as item (D) and filed said note and Mr Orr's affd.

To the Hon John A. Kelly Judge of the circuit
Court of Lee County

As is usual in cases like this, after I had gone through the case, and made my report, S. C. Graham one of the heirs of John Graham deceased came before me and desired to be heard with reference to a claim of \$10.00 which I had allowed William Myers for the benefit of C. C. Burdick against the estate, and is marked (D) in my statement of outstanding debts against the estate of John Graham.

Said S. P. Graham was not at home during my first sitting but had gone down the river to Chertanooga with a boat load of grain, I therefore thought it proper that he should be heard as to what he knew about said claim of \$10.00 and thereupon took his deposition in relation thereto and herewith file the same marked (A1) and from the state of facts which he discloses, I do not believe that said claim ought to be allowed as a charge against said estate. And having heretofore allowed the same as a charge, I now strike the same from the Statement of debts and this being done, the aggregate amount of debts against the estate is \$705.00

To the Hon. W. T. Miller, Judge of
the Circuit Court for Lee County, Va.

Your undersigned Special Commissioner, in pursuance of a decretal order of the Circuit Court for Lee County, Virginia, pronounced on the 15th day of March, 1894, in the above styled cause, having given due notice to all parties concerned, proceeded on the 11th day of April, 1894, at his office in the town of Jonesville, Va., to execute said order; and the proceedings having been thence forward regularly adjourned from day to day, and being at length completed, the result is herewith respectfully submitted.

Your commissioner being directed by said decree of March 15, 1894, to ascertain and report the outstanding debts against the estate of John Graham, dec'd, not heretofore reported in this cause, the amounts of said debts, to whom due, and whether there is any personal estate out

of which said debts can be made, here reports that he gave public notice of the time and place of his sitting for more than 15 days by written notices posted at the front door of the court house, and by personal notice to the attorneys in the cause, and that he kept his proceedings open from day to day for more than 15 days, and that he made various inquiries to ascertain the existence of any outstanding debts against said decedent not previously reported in this cause.

But your court learns only of the following debts yet unreported:-

1st, The atty's fee due Hagan & Pridemore in the case of J. M. & C. F. Cook, Admr. of E. Cook, dec'd, vs. John Graham,

\$2 50

2nd, The atty's fee due Hagan & Pridemore in the case of J. M. & C. F. Cook, Admr. of E. Cook, dec'd, vs. John Graham,

2 50

3rd, The atty's ^{fee} due Hagan & Pridemore in the case of John M. & C. F. Cook vs. John Graham,

2 50

Total

\$7 50

Your Comr. refers to p. 247 of Execution Book 6, in the County Court Clerk's office, for the judgments in the above cases. By a reference to said judgments, it will be seen that the whole of the same are still unsatisfied as appear from said records. But your Comr. is informed that said judgments has long since been paid off, with the exception of the attys' fee in each case, and your Comr. has spoken to the plffs. in regard to said judgments, and they seem to have no recollection of the same and think them satisfied. Only the attys. in said cases appear and claim their fees, which is accordingly allowed by your comr.

In response to the enquiry as to whether there is personal estate of said John Graham, dec'd, out of which said debts can be made, your comr. reports that he has not been able to find any one who knows of any such personal estate; but on the contrary, he is informed by different ones that there is no such estate existing

Your commr. Therefore reports that
he can learn of no outstanding
indebtedness, not previously re-
ported, except the above sum of
\$7.50, and the costs of this suit not
previously satisfied.

All of which is respectfully
submitted, this Apr. 28, 1894.

John Graham
To note due Apr
1st 1878 for \$100.00

I William J. Slandifer do solemnly swear that at the time John Graham died I held two notes of One hundred dollars each dated Nov. 3rd 1877. and which are hereto attached. one of which notes became payable April 1st 1878 and the other April 1st 1879. and they were both executed or were to have been executed for land sold by me to him. These two papers were not however signed by said Graham but were to have been signed by him, and he all the time acknowledged himself to be owing me the said two sums toward the purchase price of fifty acres of land sold by J. W. Davis to him and he became paymaster to me for the same said Davis being indebted to me for the land sold by him to Graham.

Some time before this sale, I sold J. W. Davis a piece of land for \$1250.00, and before he had paid me for it, he sold 50 acres thereof to John Graham for three hundred dollars, and said Graham thereupon agreed to pay me said \$300.00 and when paid is a part of said \$1250.00 above mentioned, and said Graham at the time at me have a claim or note on J. P. Cox & N. D. Cox for about \$90.50 on which there was some interest, and on this claim I realized the sum of \$94.80 so that said Graham still owes me \$5.20 on the first installment of the purchase price of said 50 acres of land. He was then to execute the two notes above referred to payable as aforesaid, and on one of them, John Graham paid me in his

lifetime about \$40.74 and his heirs have since his death made me three payments thereon amounting in the aggregate to \$42.00 all which are credited on the paper which ought to have become due April 1st 1878, and these are all the credits to which said two notes are justly entitled to.

Now as before stated these two blank notes were not signed by John Graham in his lifetime but his heirs all know the transaction and are proceeding to pay and discharge the claims and all of them recognise the justice of this debt, and in fact the title to the land is in me, and the heirs have the same in their possession, and the same formed a part of the real estate of said Graham which has been partitioned among his heirs.

To the truth of these statements I do solemnly swear
so help me God. William S. Sturtevant

To the Hon. County Court
of Lee County Virginia. -

The undersigned Commissioner of accounts for said County, respectfully reports, that a year or two ago, he advertised as the law requires, that the account of James W. Orr Administrator of the Estate of A. J. B. McElroy dec'd, was before him for settlement, but from some cause or other the settlement was not made until on this the 5th day of July 1894. I have prepared a statement of said account, hereto attached, in which I have charged the said Admr. with \$753. 50 bal principal and with \$46.00 interest the balance shown to be in his hands, by the settlement made by Court St. J. Morgan in the Chancery cause brought by said Orr Admr & Co. against John ~~Mc~~ McElroy et als, and lately determined in the circuit Court for Lee County, and with \$45.21 the interest on the principal down to January 25th 1881, and have given him credit for vouchers from 1 to 12 inclusive as well as for payments set out in Court St. J. Morgans report in the Law cause of Mary

1 J. Chandler vs James W. Orr, resulting in
2 showing that said Admr. had accounted
3 for all the personal estate which came to
4 his hands except \$122.29 vouchers for the
5 payments are herewith filed marked as in
6 the margin. The suit just referred to
7 was brought by the Admr. for the settlement of
8 said Estate, and in said suit the debts were
9 ascertained and reported, and the personal
10 estate shown to be by far insufficient to pay
11 the debts, the Real Estate was decreed to be sold
12 to pay said indebtedness, and at the sale of the
13 Real Estate, the Admr. became the purchaser of
14 a portion thereof, and in paying for the Real
15 Estate purchased by him, he paid to the creditors,
16 whose debts had been reported against said Estate,
17 And in order to properly show the entire transactions
18 I have in the statement of his account charged
19 him with \$2300.00 the amount of his purchase price
20 of the Home place and given him credit with
21 \$500.00 paid down by him at the time of his purchase
22 leaving \$1800.00 to be accounted for by him, and
23 with \$241.00 the amount for a portion of the
24 Gray tract of land sold under a deed of trust
25 executed to secure the payment of the Chandler
26 debt, and with \$313.80, the amount of J. H. Wilson's
27 purchase of Dinkensland, which was paid
28 to said Admr. and disbursed by him, and
29 I have given him credit for payments
30 made by him to the various creditors as
31 reported, charging him interest on all
32 balances remaining unpaid upon the prin-
cipals of partial payments, vouchers for
all payments and herewith filed marked

1 as in the margin, and have calculated
2 interest on all overpayments made by
3 him down to this date, showing that
4 the said Admr. has overpaid all his
5 said liabilities to said Estate on the 5th.
6 July 1894 the sum of \$1424.11.

7 In the report of Judge Morgan Cmr.
8 in the Chancery Cause, of the outstanding debts
9 against said Estate, he reported \$101.80
10 as being the balance due on the Chandler
11 debt, but sometime afterwards Mary Chandler
12 Admx. of the Estate of James Chandler dec'd insti-
13 tuted suit at law on the note in the circuit Court
14 of this County against James M. Orr Survivor of Thaise
15 and A. J. B. McCreoy dec'd, and recovered judgment
16 for \$764.29 and the costs, and Mr. Orr feeling
17 aggrieved by the Judgment, and anxious to
18 reverse it if possible and save the same to the Est.,
19 took an Appeal to the Court of Appeals, and
20 in said last Court the Judgment of the Court
21 below was affirmed with costs against the
22 appellant, and as will be seen by reference
23 to voucher "D", when the Admr. paid off said
24 Judgment Octo 27th 1890 the same amounted
25 to \$1014.24 besides some other costs &c in
26 Court of Appeals and his attorneys fees
27 paid by him. The proceedings in said
28 Chancery Cause, and also in the law cause
29 are here referred to as furnishing a great
30 many facts and figures used in making
31 this settlement and report, vouchers
32 for some of the credits allowed the Admr.

1 For payments on the Chandler debt
2 are not here filed, but the credits
3 were given in the suit at law by Court
4 Morgan, and are shown in his report
5 reference to which is here made, and I
6 have no doubt but what they are
7 all properly entered and correct
8 and just credits, as the matter was
9 there closely, fully and hotly litigated
10 and Judgment rendered for the
11 balance found due.

12 All of which is respectfully
13 Submitted. July 5th 1894
